Report from Nevada Delegate, Panel 63 - Service is the Key

The theme for the 2024 World Service Conference (WSC) is “Our Path Toward Grace, Unity, and Understanding.”

Our Path toward Grace, Unity, and Understanding
Nuestro camino hacia la gracia, la unidad y la comprensión
Notre cheminement vers la grâce, l'unité et la compréhension

The 2024 World Service Conference will be held in Virginia Beach, Virginia, Thursday, April 18 through Sunday, April 21, 2024.

Al-Anon’s Tradition Two states: “For our group purpose there is but one authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants—they do not govern.”

The World Service Conference makes the group conscience available and effective for all Al-Anon. It is the practical means by which the group conscience can speak; it is the voice of world Al-Anon and the guarantee that our world services shall continue to carry on under all conditions. The Conference protects Al-Anon and Alateen against a service breakdown; it makes for unity and enables our fellowship to act as a whole upon important matters. This makes it the principal guarantor of Al-Anon and Alateen’s harmony and survival. From https://al-anon.org/for-members/world-service-conference-wsc/

March 8-10, 2024, the Southwest Regional Delegates Meeting (SWRDM), will be held at the Orange County Hilton. Delegates past and present with other area officers and interested guests attend from Colorado, Utah, Arizona, Hawaii, California North, California South, New Mexico/El Paso, and Nevada to strengthen the links of service and to prepare delegates for the World Service Conference and foster unity and vision. Please contact me if you would like more information.

From Sarah Smith, Director of Programs, World Service Office:

It is with extreme gratitude and appreciation that I am writing to announce the retirement of the World Service Office’s Associate Director-Literature, Tom Coffey, after an incredible journey spanning 22 years. Tom will begin his retirement journey on March 1, 2024.

Tom has been an invaluable resource to the WSC, bringing an unwavering sense of love, passion, and respect for our Conference Approved Literature (CAL), as well as a profound commitment to the CAL process and ensuring our CAL reflects the many voices of our members.

During Tom’s tenure, he contributed to many pieces of Conference Approved Literature, but I would like to highlight a few: Hope for Today (B-27), Opening our Hearts, Transforming Our Losses (B-29), Discovering Choices (B-30), Many Voices, One Journey (B-31), and Intimacy in Alcoholic Relationships-A Collection of Al-Anon Personal Stories (B-33). In recent years, Tom has worked on the Just for Tonight bookmark (M-81), the Just for Tonight Alateen bookmark (M-82), and our newest daily reader, A Little Time for Myself (B-34).

Tom will be remembered for his tireless efforts, his unparalleled knowledge, and his service as a cornerstone of the World Service Office Staff and an inspiration to many members around the world. He will be deeply missed at the World Service Office by all who had the good fortune to work with him throughout the years.

Please join me in sending words of celebration to Tom for a well-deserved retirement. Thank you, Tom, for your many years of contributions to the families and friends of alcoholics.

Cards for Tom can be sent to:

Our next Nevada Area Assembly will be held March 16 and 17, 2024 at the Tonopah Convention Center. Our Nevada Assembly helps move Nevada Al-Anon forward. I look forward to the Public Outreach workshop, more skits, laughter and potlucks, and breakouts, and moving forward together with our service and recovery. I hope to see you there!

The World Service Office would like feedback from Areas, through their delegate at the 2024 World Service Conference, on how important or not important do members feel is the delegate’s visit to Stepping Stones, the home of Lois W. and Bill Wilson. https://www.steppingstones.org/ The visit of delegates from the World Service Conference to Stepping Stones happens in the third year of a delegate’s three year service rotation. The other two years of the three-year service rotation of the World Service Conference meetings are held in Virginia Beach, Virginia, where the World Service Office is located. The increased expense of New York versus Virginia Beach is a subject of concern, inquiry, and discussion from the AFG, Inc. Board of Trustees. Have you heard delegates and others describe their visits to Stepping Stones? Do you think the Stepping Stones visit enhances the legacy of Al-Anon and the links of service, or does it not mean much?

Please let me know your thoughts directly or through your Group Representative at our Area Assembly. Thank you for your crucial input on this discussion.

Thank you for letting me be of service.

Hello everyone, Rita your Area Chair here! Hope everyone had a lovely and safe holiday season. I still can’t quite believe we’re in our second year of this service rotation. I’m grateful for everything I’ve gotten to experience in this service commitment. And one of the biggest lessons I’ve learned so far is related to our Newsletter theme, “Live and Let Live”. When I lived with an Alcoholic, both during my childhood and in relationships, I never understood this slogan. I always thought I had an input in every decision made by the alcoholic. I didn’t trust in a Higher Power, God as I understand him, and I couldn’t let go. Gradually I learned through Al-Anon, by working the steps with a Sponsor, that I am not God! In this service commitment, I’m getting to ask for help and give my input, but I get to leave the outcomes to my Higher Power. I help facilitate the Assembly, but ultimately God’s in charge and the more I learn this lesson, the smoother things go! With that said, I’m so excited to see all of you in the Spring! I’ve also attached the first draft of our agenda, which should help you all with estimating your travel time, etc. See you soon!

Love in Service, Rita L.
Hello Nevada Area Al-Anon Members!

Happy New Year! I think Winter has finally arrived, YIPPPEEEE! I hope you are enjoying the snow and staying warm.

At the 2023 Spring Assembly, the assembly body voted to accept Permanent Electronic Groups (PEGs) into the Nevada Area. A charge was written and a Task Force was created to come up with a guideline to include requirements for how the PEGs could join the Nevada Area service structure. During the 2023 Fall Area Assembly, the Task Force presented guideline #17 (how PEGs can join the Nevada Area service structure). It was voted in by the assembly body. YAY! So far three PEGs have joined our Area. I am excited about the future of Al-Anon and looking forward to registering more electronic groups into our Area.

Remember if your service roles in your groups change, please let me know! Current group records are the best and easiest way for newcomers to find us. See you all in March at the 2024 Spring Area Assembly in Beautiful Tonopah!

Love in Service,

Tracy

Spring 2024 Area Assembly Report

It was great to see so many familiar faces and to greet new ones at our Fall Assembly last year. For those of you that attended, I hope that pre-registering for assembly with online registration was easy and user-friendly. I appreciate all of you who “got'er done” and handed me your registration at Assembly. Thank you all, for your patience and help as I learn and grow in this new service position.

I want to give a huge thank you to Annie J., our Webmaster and Jen K., District 5 Rep, for their monumental efforts in getting online registration up and running. This is a great service to our Area. I am so grateful for their expertise and knowledge.

At our Assembly, the raffle features baskets contributed by our groups. This is such a fun way to support our Assembly and include everyone in our groups, even if they are not here. Last fall, there were so many beautiful baskets full of wonderful gifts of love. The lucky winners are most certainly enjoying them. Many thanks to all the groups who contributed.

Finally, I am so blessed and pleased to work alongside a wonderful group of enthusiastic “Assembly Ambassadors”. These willing members help make Assembly a welcoming and comfortable experience. The Ambassadors are a great help with registration, selling raffle tickets, and answering any questions about Who, What, Where, and When. I am proud to be a part of such a delightful group that is so full of fun and efficient new ideas.

Be sure to have a look at the beautiful Spring Area Assembly flier. It was included in the Fall Assembly folders and is now available on the Nevada Area Website. You can use it to get registered right now. I look forward to seeing you in Tonopah March 16 and 17, 2024. Remember to book accommodation and bring a potluck offering and a raffle basket. AWSC will meet on Friday, March 15.

I look forward to seeing all of you and encourage you to come and experience our wonderful Assembly. Whether you always come to Assembly or have not attended before, we will welcome you warmly.

Thank you for letting me be of service.

Jan R., Area Assembly Coordinator
Hi all, I hope you had a wonderful holiday season. Was Santa good to you for Christmas? Also, Happy New Year!

As of December 31, 2023, we have $10,251.31 in our checking account. In our savings account we have $16,669.20 for a grand total of $26,920.51.

With 2023 behind us, I have started preparing end-of-year reports. Back at our last Assembly our projected donations for the year was only about $7000. But, the final quarter of 2023 saw a large increase in donations. The final total for 2023 was $9,217.02. The month with the largest donations was October with over $1600. The following is a list of donations by district:

- District 1-$588.00
- District 2-$1,919.98
- District 3-$1,374.53
- District 4-$3,705.15
- District 5-$1,419.36
- District 6-$20.00

I would like to thank all the groups, individuals and districts for their generous donations.

On the expense side of the ledger, I have paid for our delegate Lisa’s expenses for her conference in Virginia in April. I am in the process of paying for the SWRDM conference for Lisa and Tracy, our alternate delegate, in Southern California in March. Shortly, I will be donating $500 to the WSO, as our budget requires, which you voted in during the last Assembly. During our next Assembly, I will go over the details of the final numbers from 2023.

By the time you read this report we will be about a month and a half away from Assembly. Time seems to be flying by. I look forward to seeing all of you in Assembly. Until then have a great new year!

Area Treasurer
Hi Friends,

It’s Anne J., your area webmaster!

I have been busy making changes to the website. If you see anything that you would like updated on the website please send me an email at webmaster@nevadaal-anon.org. If you can include the page you want your info on, that streamlines my work.

Here are some statistics I found interesting about our website. In the month of December, 4903 page views from the United States, 205 from China, and 60 from Canada. Some other countries that visited our website are Russia, France, Germany, Netherlands, and Finland.

Obviously the most visited page was the Homepage with about 2460 views. Global events was the least visited page with 1 view whereas the second most visited page was “Meeting Information” with about 1103 views.

Some more nerd facts: the operating system most used to visit our website is still iPhone iOS with 48%. Most used browser was Safari with nearly 50% whereas Chrome was used about 30% of the time.

I still don’t have an answer to the “cache” issue. The cache (with a ch) issue in a nutshell is our computers kind of save sites we’ve visited to help them load faster. Sometimes I’ll update something and people don’t always see that it’s been updated.

Continued next page
Once again here is how to clear your cache.

Thank you all for letting me be of service. Feel free to send ideas that you think would make the website as user friendly as possible. I look forward to continuing to learn in my new position!

Happy New Year, Nevada Area!

The holiday season was nice and quiet just how I like it. I practiced "Live and Let Live" quite a bit last weekend when attending my nephew's wedding in LA. It was a beautiful experience and it was also challenging being around so many family members who don't share the same tools I have learned in Al-Anon. I was able to use "Detach with Love" when my sister wanted me to wear a traditional gown from my Dad's side of the family. She was very persistent no matter how many times I politely told her, "No." My sponsor reminded me that "No" is a complete sentence and that I don't have to justify myself to anyone, including my family. So, that was what I did and I wore a dress that I picked and feel comfortable wearing. It is funny how the character defect of people pleasing really likes to rear its ugly head in situations like these. I prayed and asked my Higher Power for the strength to be myself. I am grateful that I accept myself exactly how I am even if other people don't. I was also reminded that people have a lot of emotions, expectations and their own personal hang-ups when it comes to weddings and funerals. Thank God for sponsors!

I will be attending SWRDM in March just before our Spring Assembly. Thank you to our Assembly members for voting to allow me (as well as our Area Chair) to attend and using our Guidelines in the NV Area Handbook to guide that decision last Fall Assembly. I will be sure to share my experience, strength and hope around this new experience for me upon my return.

Hope you are all enjoying the beautiful new year!

Love in Service,
Michele S.
Happy New Year.

I attended a training session last Sunday for the positions I hold in Alateen. I was greeted with “hello, good to see you again. My comment back was something like I’m glad to be here because I didn’t know what I didn’t know and wanted to learn even more about my service roles. Just like in my Al-Anon program, the more I learn about myself, the easier things become until it’s not and then I get to learn another level of recovery!!

Topic: Concept 4 - Participation is the key to harmony

2024 is starting off by keeping me on my toes. Living with the active disease of alcoholism is a daily challenge. I am grateful to have a program of recovery and to be a part of a loving fellowship that understands and accepts me.

The Al-Anon slogan “Live and Let Live” helps me to remember to keep the focus on myself and let others live the life that they choose. When I stay in my own hula hoop, it easier for me to have serenity and to work on being happy, joyous and free.

Mimi J.
Hello everyone. Hope you had a safe and serene holiday season and Happy New Year.

The AIS held their meeting on December 30, 2023. The GRs voted in the 2024 budget and increased the line item for GR scholarships to attend the assembly to $600 for the year. This will allow a $75 scholarship for 4 GRs in the Spring and 4 in the Fall to attend assembly. They felt it was important to help out for smaller groups so they could get representation at assembly.

We heard reports from the District reps and committee chairs and enjoyed a pot luck for the holidays.

There is a new email for the Southern Nevada Literature Distribution Center, westldc@gmail.com. They have found a space at a church to allow people to pick up literature on Sunday evenings. They moved the account that Marie F had started to the LDC accounts and are calling it LDC Space in the future instead of the Building Fund, as that name was a little confusing as it was for a rental space, not for a building.

Public Outreach reported that the Salvation Army Outreach meetings are going well, meeting once a month on Wednesday evening. They have restarted the Rescue Mission Outreach meetings and those are held Wednesdays at 5:30PM for the family meeting. Residents meetings are held 3 times a month at 7:30PM on Wednesdays. If you are interested in being of service you can contact Donna A. 702-480-7385. You need to have been in Al-Anon for 2 years or more. Public Outreach had a table at the Clark County Government Center Health Fair on Oct 24-25 and went well. The Al-Anon participation with public outreach at the Las Vegas Roundup over Thanksgiving weekend was a success with lots of participation.

Our next meeting will be held on February 24, 2024 at the Keystone Club at 1:30PM.

This issues topic is Live and Let Live. For me, this is an important slogan to remember and use. I can only live my own life, and I need to let others live their own life. Before program I tried to control my family’s lives. It took me a while to be able to just concentrate on myself and not try to control others. I thought they all should think and feel like I did. I didn’t even have a life of my own. I went along with what others wanted to do. Today, I can say that I do have a life of my own. I have a full life with lots of program friends that I consider family. I know what I like to do and do it. I let others do their own thing without input from me.

Love in service,  Karen S

AIS Liaison and a very grateful member of the Al-Anon Family Groups
Greetings Nevada Area

It’s amazing to think that the first term of my commitment has already ended. It really has been a wonderful experience to serve my District and to get to participate in Area business throughout the year. I have learned a lot about service at this level, but there is still so much more to learn! Just like in my program, I know I will never “arrive”.

District One is still doing well. I can truly say that I enjoy our District Meetings. They are still Hybrid meetings, which is working well for us.

Our District One Fall Workshop on October 21st was a great success with over 30 in attendance. The sharing on service was inspiring, and I for one enjoyed the warm fellowship over lunch as well. We had a successful and fun raffle which helped to cover the cost of the Workshop.

District One now has a new Al-Anon meeting and a new Alateen meeting.

I love the slogan for this Newsletter. Live and Let Live, to me, applies to service because it is a reminder that my purpose is to do my very best on my own commitment, and, beyond supporting someone else if asked, not to interfere with anyone else’s. Just like in my program, keep my side of the street clean.

I am so looking forward to seeing many of you at Assembly in March! And, as always, I’m so grateful for this opportunity to be of service to this wonderful program.

Love in Service and Action,
Barbara M.  District One Representative
Greetings and Happy New Year!

Since the last writing in October, the six-month trial period has ended. Therefore, District 2 meetings will continue to be held monthly and in person on the second Wednesday at 6 PM. There are usually seventeen Group Representatives in attendance.

We have thirty-three active Al-Anon and one Alateen meeting in the District.

We are fully self-supporting with a balance of $7,353 which includes a prudent reserve of $1,777 and available funds of $3,103. Estimated annual operating expenses are $3,055.

The District created a WhatsApp group.

The Winter Workshop is on February 10. A full day of recovery including a speaker, a panel, a scavenger hunt, breakout rooms and fellowship which all can be enjoyed for a mere $10. Although, the cost of recovery is priceless!

Al-Anon has a committee and will participate in the May 2024 Alcoholics Anonymous Spring Festival in Reno.

March Assembly hotel room share, and carpools are in the works.

A Love Gifts committee is creating one hundred gems for our trusted servant, Lisa S., to share with Delegates in April while at the World Service Conference.

The Gifts of Al-Anon had a great showing.

Quest for Serenity celebrated twenty-five years.

A trusted servant is looking into District insurance coverage to eliminate the financial burden on individual groups.

The District continues to move forward with dignity and grace while getting busy and getting better.

On the newsletter theme, Live and Let Live keeps the focus on my recovery. Accepting others for who and what they are. Today, I have an awareness of how I have been affected by the disease, I can accept what is and take action as needed. My higher power will guide me. The key is to be honest, open, and willing to hear, process and act accordingly. Thank you Al-Anon and God for taking the wheel. Thinking and acting as if I am in control, takes away my gift of the present, and my God granted serenity.

Love in Service,

Ramona L.
District 2 Representative
Growing up in an alcoholic household, I came to dread the period from Thanksgiving to New Years. There was tension in the air waiting for the fighting and screaming to begin. Doors would be slammed, cars were driving away with tires screeching and sometimes we were hit with anger by the alcoholic. Once I left home at 17, I refused to celebrate the holidays for nearly ten years thinking that avoiding the holidays would resolve the heightened anxiety I would get the last weeks of the year. Actually, not celebrating holidays made me feel like an outcast among friends and co-workers. After my daughter was born, I didn’t want her to grow up without the traditions and the joys I saw others have during the holiday period, so I started to celebrate the holidays again but I didn’t feel the “magic” of the season that people spoke about.

Fortunately for me, Al-Anon has given me the tools to make progress in resolving the trauma of my childhood. I know today that my parents did the best they could with the tools they had. I have also learned that I did not cause my father’s alcoholism, there was nothing I could have done to control his outburst nor was there anything I could have done to cure him. I have actually come to have compassion for my father and how painful life must have been inside his skin. I have been able to make this shift because of the Al-Anon program. Adding extra meetings during the Holiday period has made a significant improvement in my outlook. I have also learned to appreciate the slogan “Live and Let Live” as it gives me the freedom to live my life the best way I can. It also relieves me of the burden to try to control the way that others live their life when I apply the “Let Live” part of this slogan. So many blessings come into my life when I remember to Live and Let Live!

Since the District 3 Fall workshop, things have been rather quiet. Alternate DR, Lani W., and I continue to visit all of the groups in District 3. We are pleased to report that these groups are following the traditions in their meetings by using the suggested meeting readings from the Al-Anon Service Manual and topic discussions using CAL (Conference Approved Literature). We noticed the 2024 Spring Assembly Flyer indicated that District 3 is assigned Main Courses for the Saturday night’s potluck meal. Given that only five GRs attended the Fall Assembly last September, we are asking for help in providing additional entrees for this coming Spring Assembly. Vegetarian options were specifically requested.

Our next District meeting will be held on Saturday, February 10, at St. Timothy’s Episcopal Church, 43 W. Pacific Ave, Henderson, NV 89015 (downtown Henderson). A potluck meal and fellowship will be shared at 1:00pm with the meeting starting at 1:30pm. Hope to see you there.

In loving service,
Karen Sch. District 3 Representative
District 4 Report

Happy New Year! I hope you all had a joyful holiday season.

Janice and Tina presented a great workshop on Public Outreach at our December district meeting. Everyone shared about how they heard about Al-anon and the experiences were very diverse so it was great information in moving forward with Public Outreach. I will be bringing copies of Al-anon Faces Alcoholism and the M76 bookmarks to our next district meeting February 10th.

Our district is still in need of a secretary. I have been taking minutes and leading the meeting and I have to admit my multitasking skills are not as good as they used to be! I think that means that the program is working. If you have been thinking about this service position I would love to hear from you. Here’s a job description:

- Attend district meetings every other month for even numbered months.
- Take minutes and send to the District Representative.
- Bring a yummy dish for the potluck.

You will have lots of support for this position. My email address is nvareadistrict4@gmail.com

Sue W.
