Report from Nevada Delegate, Panel 63 - Service is the Key

The 2024 World Service Conference (WSC) theme is “Our Path Toward Grace, Unity, and Understanding.”

Our Path toward Grace, Unity, and Understanding
Nuestro camino hacia la gracia, la unidad y la comprensión
Notre cheminement vers la grâce, l'unité et la compréhension

The WSC will be held from April 18-21, 2024, in Virginia Beach, Virginia. The conference agenda may include further discussion of Stepping Stones future visits by Delegates, Alateen electronic meeting safety, results of Task Forces and Thought forces, the trial period for a four-day conference ending, selected policy revisions, and the budget, among other agenda items. I look forward to attending the conference and using Al-Anon principles to support Al-Anon’s growth.

As usual in my service roles, I have had to use program tools to put aside my ‘what ifs’ and disbelieve feelings of not being enough, not knowing enough. I hope to make healthier choices like choosing to run on Al-Anon principles and not on fumes of personality, fears, and distorted thoughts resulting from being affected by the family disease of alcoholism. That is the beauty of service. My character defects will bloom like weeds and thanks to the Al-Anon Legacies—recovery through the Steps, Unity through the Traditions, and Service through the Concepts—offered so freely in meetings, our literature, the Service Manual— I will get the opportunity to make heathier spiritual choices on how and when to use my voice and vote. I will be offered the opportunity to substitute assets for my defects. I pray for the grace to listen with an open mind, the humility and willingness to be teachable so I grow in understanding; to say what I mean, mean what I say, and to not say it meanly and foster unity for the greatest good for the greatest number. And then, I will return to Nevada, and share my report on the World Service Conference with you.

Thank you to District 2 members for the 100 love gifts I am bringing to the WSC to give to other delegates and attendees. Love gifts are little offerings that delegates exchange at the WSC to take back to their areas to share with other members and spread the love of the worldwide fellowship. Thank you to the District 2 members who worked together to create such an innovative design for the Nevada love gifts—magnetic bookmarks, using old Forums. How creative! **FYI: In 2025, the rotation of districts creating love gifts will move to District 4.**

I look forward to what District 4 members create to share at next April’s World Service Conference.

In Northern Nevada, the Delegate’s Report will be held Saturday, June 1, 10am-2pm, at South Reno Methodist Church, 200 De Spain Lane, Reno, Nevada 89511, coordinated by District 2, agenda TBD. In Southern Nevada, Super Saturday—as the Delegate’s Report is called—will be held Saturday, June 15, location TBD, from 10am set-up, registration 10:30am, with the Delegate’s report at 11am followed by a potluck lunch, and a sponsorship workshop ending at 3:30pm. I hope you will get together with members from your group, “get in the car”, and come hear the Delegate’s report. Together We Can Make It.

The World Service Office (WSO) is requesting members submit writings on the topic of Sponsorship:

* A recommendation was made, discussed, and approved by the 2023 World Service Conference, giving conceptual approval "to develop a comprehensive piece on sponsorship and service sponsorship using personal stories from Al-Anon members."
* Since then, a writing guideline has been developed, approved, and translated into French and Spanish, and is now available for distribution throughout the fellowship. Please consider submitting your own experience, strength, and hope on this important topic. The attached Writing Guide is also posted on the "Send Your Sharing" page of the Al-Anon website.

Sharings may be submitted online at [al-anon.org/sharing](http://al-anon.org/sharing), via email to wso@al-anon.org with "Sponsorship Piece" in the subject line, by fax to 757-563-1656, or by postal mail to Al-Anon Family Group Headquarters, Inc., 1600 Corporate Landing Parkway, Virginia Beach, VA 23454-5617. Sharings submitted in Spanish or French should be accompanied by an English translation.

Our next Nevada Area Assembly will be held September 20-22, 2024, at the Tonopah Convention Center. Our Nevada Assembly helps move Nevada Al-Anon forward so newcomers can find meetings where the principles of Al-Anon program are offered. Register online at [Nevada Fall Assembly](http://nevadafallassembly). I hope to see you in June and at Assembly! Thank you for letting me be of service. : )

Hello everyone, Rita your Area Chair here!

It was great to see everyone during Spring Assembly in wonderful Tonopah! I’m grateful for the AWSC committee who helps ensure things run smoothly and all the GR’s who attend and participate. I know that I wouldn’t be where I am without participating in service, which brings us to this month’s topic, Concept 4. Participation has been the key to harmony in my home, my Al-Anon meetings, my service commitments, and my professional life. In Al-Anon, participation in service has been a way to express my gratitude and give back to this program that has done so much for me. In my home life, I get to be an active participant, have an opinion, and contribute without taking over. I am truly grateful for all the lessons I’ve learned in Al-Anon through service and look forward to more.

Love in Service, Rita L.
Hello Nevada Area Al-Anon Members!

The Spring Area Assembly was AWESOME! I loved seeing all the returning GR’s and meeting the incoming ones! Welcome to your current and new service adventure, I am so happy you are here.

In March, I attended the Southwest Regional Delegates Meeting (SWRDM) in Costa Mesa, California. SWRDM is a yearly business meeting, participants include past and current Trustees, past and current delegates, Area officers, from the Southwest Region which includes: California North and South, Arizona, Utah, Nevada, Colorado, New Mexico/El Paso, Hawaii, and the Global Electronic Area (GEA). It was fun and informative. The GEA delegate gave his report, he shared that there are 950 active groups with 441 GR’s!

I participated in an Area Group Records Coordinator training with world service office (WSO) staff and have learned some things about electronic meetings. Groups that have registered in the Nevada Area (PEG’s) can now be found on the al-anon.org webpage under the al-anon meeting tab. These meetings have a square tab. They can also be found on the nevadaal-anon.org webpage under the zoom meetings tab. Groups that registered in the Global Electronic Area (GEA) can be found on al-anon.org under global electronic meetings. This is great news!

During COVID meetings went to “temporary” zoom meetings. Some of these meetings are still using that “temporary” platform. WSO now says that those groups need to make a decision. They can resume in person meetings, go to hybrid or move to permanent electronic. WSO knows this is a big decision, so they are asking for groups to please make a decision before the end of the year.

I have to begin by saying that it was thrilling to see so many dedicated Al-Anon members at our Spring Assembly. Over ninety attendees enjoyed the fellowship, potluck dinner, Al-Anon Speaker, skits and games and raffle — oh, and, yes, important reports and business.

I hope that pre-registering for assembly was easy and user-friendly. Pre-registering helps us to know how many participants we will have so that packets and name tags can be made. Thank you for leaving your name tag in the box provided at the end of assembly. Always a good self-supporting practice to recycle.

As always, at this assembly, our raffle featured baskets contributed by our groups. This is such a fun way to support our assembly and include everyone in our groups, even if they are not attending. There were so many beautiful baskets full of delightful surprises and gifts of love. Many thanks to all the groups who contributed. And, many thanks, as well, to everyone who bought raffle tickets. Your generous support raised over $1500.00, and helped to support our assembly.

Finally, I am so pleased to work along with a dynamic group of enthusiastic “Assembly Ambassadors”. Their willingness to be of service makes assembly a welcoming and comfortable experience. The Ambassadors were a great help to with registration, selling raffle tickets, and answering any questions about Who, What, Where, and When. One of our ambassadors even wrote a skit to honor one of our founders, Lois, which was presented at assembly. I am proud to be a part of such a delightful group that is so full of fun and efficient new ideas. Finally, I am very pleased to welcome two new members to our group. I look forward to serving the assembly together this fall.

Be sure to have a look at the beautiful Fall 2024 Area Assembly flier created by one of our talented Ambassadors. It is included in assembly folders and will soon be available on the Nevada Area Website. Why not use it to get registered right now. I look forward to seeing you in Tonopah in September 2024.

Thank you for letting me be of service.

Jan R., Area Assembly Coordinator
Hi everyone, It was great seeing you guys at Assembly back in March. I want to especially thank the Group Reps for passing the rules for paying our translator’s travel expenses. By making the rules permanent we don’t have to keep asking you to continuously pass the rules. Again, thank you.

The day after Assembly ended I had knee replacement surgery. My recuperation is going well but I wasn’t able to drive until recently. Now that I can drive I have deposited most of the funds I collected at Assembly. I still have a few checks that need depositing and they will be deposited in the next couple of days.

As of this writing in mid April we have $4,150.05 in our checking account. I still have a few checks which I have not been able to get to the bank yet and deposit, so we actually have more than the $4,150.05 once I deposit the remaining checks which should be in the next couple of days. In our savings account we have $16,672.06 for a grand total of $20,822.11.

The following is a list of donations by district:

- District 1-$274.00
- District 2-$450.20
- District 3-$522.22
- District 4-$630.90
- District 5-$322.50

District 6 hasn’t donated yet. I would like to thank all the groups, individuals and districts for their generous donations.

Well this is my report for Spring 2024. See you guys in the fall.

Hello, Nevada Area Al-Anon and Alateen members!

*Participation is the Key to Harmony* is my favorite Concept from Al-Anon. As a newcomer my first service position was coordinating the Hotline for Southern Nevada AIS. I had about 3 or 4 months in program and it was a bit scary, but my Sponsor suggested it and said, “You don’t have to answer the calls. Just talk to the volunteers and make sure each day is covered.” So, I did what she suggested, and it was really neat because I started meeting other Al-Anon members outside of my regular meetings. When a few months passed and I needed someone to cover one day of the week, I felt comfortable enough to volunteer on the Al-Anon Hotline myself. I remember some of my early calls and they were either newcomers or visitors from other cities. I started loving taking calls on the Hotline because it was a way to connect with other members and I always found I was sharing something with them from Al-Anon what I needed to hear that day. Hmm….kind of like how sponsorship and Tradition Twelve, carrying the message to others, works in my life.

After experiencing that “God-shot,” I became a Group Secretary in one of my regular meetings, then a Group Representative (GR) at about 1 year into going to Al-Anon. If you have not had an opportunity to be of service in Al-Anon and you’re feeling scared like you don’t want to “mess it up,” trust me, you are not alone. I feel that way in every service position I’ve ever taken. The most difficult one for me was Greeter in my Saturday Sunshiners Group because we meet at 9am. I wanted to sleep in! Ha, ha! My Sponsor nudged me to set the alarm 1 hour earlier than normal and I was able to do it. For me, that was the most difficult service position I have ever done because it forced me to try doing something differently, i.e. not sleeping in every Saturday morning. It was very rewarding as I got to greet everyone as they came into the meeting and helped the set-up person put out chairs and return them at the end of the meeting.

When I stood for the Secretary position on the Area level, I was so afraid. I thought I’d mess up the NV Area Handbook, misquote someone, get the minutes wrong somehow or basically NOT be like Mary Poppins, “practically perfect in every way.” She was my idol as a kid, go figure! I’ve let go of the idea of being perfect by using the Al-Anon idea of *progress not perfection*. With each Assembly, AWSC Zoom call, Charge Writing Work Group, etc, I have been getting the hang of being the NV Area Secretary. I absolutely love this service role because I get to learn so much from all of the other Al-Anon members who are from all over Nevada and parts of California. They are really loving and kind, supportive, willing to help and teach me things I don’t know how to do yet. I’ve learned that if I’m not moving forward out of my comfort zone, I will never learn anything new. So, it’s okay to be uncomfortable and make mistakes. It means I am learning something new, growing and not going back into old behaviors that no longer serve me like obsessing about the alcoholic.

During Spring Assembly, my friend, Karen S. (SoNV AIS Coordinator), reached out for help in planning the Delegate’s Report in Las Vegas. We’ve always called it “Super Saturday” since I’ve been coming to Al-Anon and we get to do a workshop along with hearing what our Delegate (Lisa S.) and our Alternate Delgate/Group Records Coordinator (Tracy B.) share when they visit. I took a chance and asked all of the folks who are involved if we could meet at Spring Assembly since we were all there including our District 5 Rep (Jennifer K.), Area Literature Coordinator (Cindy W.) and a few of our GRs who wanted to be part of the committee. It was so fun to get to meet with everyone Friday night and we accomplished a lot. I took on the role of Co-Chair for the Workshop portion of Super Saturday and our topic will be “Sponsorship” as suggested by our Delegate to coincide with WSO’s new piece of Conference Approved Literature (CAL) on Sponsorship.

I can’t wait to see how it all turns out. God is in charge, for sure, as we seem to have chosen a popular weekend, June 8, 2024, and have had some challenges finding the right location.

To hear more about Spring Assembly, look up our Minutes on https://www.nevada-al-anon.org/page6.html where our awesome Area Webmaster (Anne J.) has posted them.

And to learn more about our Area and the history of how things have come about, read the NV Area Handbook on https://www.nevada-al-anon.org/page10.html which includes our history, motions, guidelines, etc that are specific for the Nevada Area.

Love in Service, Michele

A great way to find out if becoming an AMIAS is to read: 2022-2025 Al-Anon/Alateen Service Manual Page 93-98. (P-24/27) available at: https://al-anon.org/ (free download)

Guideline #8 Alateen in our Nevada Area Handbook https://www.nevada-alanon.org/group resources. This resource talks about our Nevada Area Alateen Safety and Behavioral Requirements.

May 2024 Topic: Concept 4 - Participation is the key to harmony

Thoughts from the Editor: Participation is the key to harmony for me as it helps to keep me a part of my groups and Al-Anon. The disease of alcoholism wants to keep me isolated, but my participation helps to me to continue to be part of… part of the solution, part of my groups, part of my recovery. It helps me to stay out of out of self will. Participating in service helps to remind me that recovery is larger than myself. I see the higher power of my groups working and the unity that brings us together. I see my recovery and my higher power working in my life and I am able to share that experience and hope with others. If I continue to be willing to participate, I grow and this helps my recovery grow, which in turn helps my groups grow in strength, in unity and harmony.

Hello to all from the Southern Nevada AIS

Thank you to all the trusted servants that attended the Spring Assembly. It was a great weekend full of fun, fellowship and getting the area business done. I hope everyone enjoyed it as much as I did.

The Southern Nevada AIS held it’s meeting on February 24, 2024 and is still getting great attendance for the meeting. It is wonderful to see new faces stepping up for service.

The Public Outreach is going well at the Salvation Army, meeting once a month. There is going to be a Mental Health day at the Sahara West Library on Saturday, May 11th that we will be participating in with a table with our outreach material. You can contact Kathy R if you’d like to participate. If you reach out to me at snvais@gmail.com I can give you her phone number.

If anyone knows of any other events that would be a good outreach opportunity, please let us know. The next AIS meeting will be held on April 27, 2024, at 1:30PM at the Keystone Club, 2525 N Decatur Blvd.

We are working on the Super Saturday event, where the delegate gives her report about her WSC experience, and have a lot of participation on the committee. Save the date for June 15th. We have booked a space at the Good Samaritan Windmill location for the event and District 5 is sponsoring a workshop on sponsorship for this event. AIS will be providing sandwiches, chips and water and attendees can bring sides, salads and desserts for a potluck lunch.

More details to come. This event is free to all. We would love to see you there. We will be having a gift basket raffle and are accepting any donations you want to make for the baskets.

This issues topic is Concept 4, Participation is the Key to Harmony. I love this concept and find that participation is not only the key to harmony, but the key to my growth in Al-Anon. I have experienced so much more growth in my program once I really participated and started accepting service positions. I started small with participating by sharing at meetings and leading meetings. I worked up to group positions for literature, secretary and treasurer and went on to Group Representative. Serving as District 1 Representative and now AIS Liaison to the area has expanded my participation and being a member of the AWSC has taught me more about the workings of Al-Anon at the Area level. I have learned so much about myself and my strengths and weaknesses by stepping outside my comfort zone and participating. This also segues into participating in my life with friends and family. I am so grateful for Al-Anon for letting me grow at my own pace.

Love in service,  Karen S  SNV AIS Liaison
Greetings Nevada Area

It was wonderful to see so many of you at our Spring Assembly. It was well attended by the GRs, and it was such a great Assembly.

District One now has ten active Al-Anon groups and one active Spanish Alateen group. Although this number is down, at least half of the GRs are attending the district meetings. They report that meeting attendance is increasing, and that following the Traditions is becoming more of a priority in their meetings. The effects of the Pandemic are finally being overcome. Our meetings are always lively, and there is lots of participation. (Participation is the key to harmony- Concept Four!)

Our Public Outreach Liaison is doing a great job and is currently working on a project to get more information out to local professionals who have contact with those who have alcoholism in family and friends. I look forward to watching District One become even stronger and more able to attract those who suffer from the effects of alcoholism.

I think Concept Four is so important. The very core of Al-Anon depends on participation and every voice being heard. The terms “presume goodwill” and “agree to disagree” have been helpful to me in service. There are bound to be disagreements when participation is high. If I can remember that everyone in Al-Anon wants the best for the program, I can try to have an open mind when I disagree with something or someone. And I can listen. I’ve learned that I really don’t have all the answers. And that’s a good thing!

Love in Service and Action,
Barbara M.
Happy Spring! The birds are singing, and the sun is shining.

There were nine District 2 members and thirteen Group Representatives at the March 2024 Assembly in Tonopah. The Public Outreach and Copyright presentations were the most memorable. The Spanish speaking members greatly appreciated the Spanish translation documents.

The Love Gifts committee served and created one hundred gems for our trusted servant, Lisa S., to share while at the World Service Conference. We look forward to her report on Saturday, June 1 at South Reno United Methodist Church. We will enjoy a potluck and workshop as well. All are welcome!

A vote was passed to fund Al-Anon pamphlets at the Reno Triangle Club. Thank you to Linda D. for managing.

District 2 is fully self-supporting with a balance of $7,250 which includes a prudent reserve of $1,777 and available funds of $2,750. Estimated annual operating expenses are $3,055. A profit and loss statement was provided for the Winter Workshop 2024 with a net profit of $148.51.

Please contact me if you are interested in the District 2 Alternate Representative seat with the term ending in December 2025.

Al-Anon will have a panel – thank you Women Encouraging Women - at the A.A. Reno Spring Festival May 17 - 18 at the Grand Sierra Resort. Debbi reported, instead of having District 2 collect and allocate funds, the committee will be fully self-supporting.

Al-Anon will participate in the A.A. Spanish convention “One Day at a Time” at the Nugget Hotel Sparks from June 28 – June 30.

Heather is seeking Al-Anon participation for the A.A. Serenity in the Sierra’s event at Camp Richardson “Eagle’s Nest” in South Lake Tahoe July 11 – 14.

A.A. Lake Tahoe Fall Festival “Easy Does It” at Harvey’s in Stateline October 4 – October 6 will have Ally from North Lake Tahoe sharing her experience, strength, and hope on Saturday afternoon.

The District continues to move forward while taking a little time for ourselves and practicing these principles in all our affairs.

On the newsletter topic, Concept 4: *Participation is the key to harmony* reminds me to live in acceptance. We all have value, a voice and show up however we are able. The family disease can be a place of fear because harmony is not present. In Al-Anon I have learned that my participation can be realized in many forms: listening in a meeting, sharing my experience, strength and hope even when my disease tells me that it is not of value, serving the group, as well as the Area. Participation has taught me to love myself – as my God does – unconditionally and to embrace that I am a work in progress. Perfection is not possible. What a relief!

*In gratitude,*

**Ramona L.**

*District 2 Representative*
Concept 4; Participation is the key to harmony was certainly on display at the Spring Assembly in Tonopah last March. It was a pleasure to see over 90 Al-Anon members come together for a business meeting, but more than that, for fellowship and laughter! As with many business meetings, not everyone agrees with a certain course of action. What is different about Al-Anon is that speakers actually asked for the minority opinion! Opinions were expressed openly without reprisal. This type of dialogue is so very different from my family of origin where the minority opinion was strongly discouraged if not outright forbidden! I am so grateful for Al-Anon to learn healthy ways of communicating and learning how to enjoy other people’s company. In my family of origin, I also learned to isolate, don’t talk or share family secrets. I don’t live in the shame of my childhood any longer all because of the tools of Al-Anon where I have learned that participation is the key to harmony.

The District 3 Fall Workshop planning committee gathered on April 6. While the date has not been finalized yet for Camp Recovery, this year a light lunch will be served along with craft activities, Al-Anon speakers and hopefully an Alateen speaker! More details will be shared in the next edition of Al-Anon Times!

We were all surprised to learn that St. Timothy’s Episcopal Church was to undergo a major remodel beginning in April and therefore be unavailable for the Tuesday morning Al-Anon Morning Glories meeting and the District meeting held on Saturday, April 20. Fortunately, there is a generous community that supports Al-Anon and we were able to reserve the Grace Lutheran Church in Henderson for our District Meeting in April. We are hopeful that the remodel will be complete for our next District Meeting on June 15. A potluck meal and fellowship will be shared at 1:00pm with the meeting starting at 1:30pm. Hope to see you there.

In loving service,
Karen Sch. District 3 Representative
Good Spring Morning.

Winter is sure taking its time letting go of us in the Eastern Sierra this year.

District 4 had 10 members at the Spring Assembly and that is the largest group we've had since COVID ended. 2 of the 10 were new GRs and I'm hoping we have some new GRs in the Fall too.

Andrea is doing a fantastic job as Northern Nevada Book Depot Coordinator. Thank you, Andrea, for attending assembly during this busy time of your professional year.

The district meeting was well attended and Jan R. led a writing workshop. She did a great job in assuaging any fears of members who had not participated in a writing workshop. The sharing was inspiring. Thank you, Jan, for your service.

Mary Beth R. was elected to the district secretary position and she will fill the remainder of the 2023-2026 term. Thank you, Mary Beth, for your willingness to serve.

We discussed possibly creating a district scholarship fund to support meetings in the district that don’t have the funds to send a GR to Assembly. More will be discussed at the next district meeting, June 22nd, at the Gardnerville United Methodist Church.

District 4 will be joining District 2 on June 1st for the Delegate’s report. The district 2 representative will be sending a flyer soon.

See you all in September at the Fall Assembly.

Yours in Service,

Sue W
