REMOVAL FROM OFFICE

When a Delegate, Alternate Delegate, Officer or Coordinator/Committee Chair does not attend one Nevada Area Assembly, including the Nevada Area World Service Committee meeting or the mid-year AWSC meeting, that person is responsible for submitting a written report to the Area Chairman, prior to the Area Assembly or AWSC. Absence of a written report in lieu of being there in person will be considered as an “informal resignation.”

In the event any area office is vacated an election is to be held at next scheduled Nevada Area Assembly for the purpose of filling that vacancy according to the Service Manual and Nevada Area Guidelines. In the event any Area Coordinator position is vacated, the Area Chairman is to notify the Nevada Area members of such a vacancy and request the submission of resumes in a timely manner. Such resumes are to be reviewed and appointment made at the next meeting of the AWSC member. If no meeting is scheduled soon, the Chair may make appointment thru communication and affirmation via telephone or email within the AWSC committee. The results of any such appointment are to be provided to the Nevada Area members in a timely manner.

Resignation: Any Area Officer or Area Coordinator may resign at any time by giving written notice to the Area Chair, and such resignation shall take effect at the date of receipt of such notice or at any later date specified therein unless otherwise specified. The acceptance of such resignation shall not be necessary to make it effective. Motion passed.

*In 1992 motion passed to accept Guidelines for Removal of Area and Officers and Coordinators.

GUIDELINE #2 - REMOVAL OF AREA OFFICERS AND COORDINATORS was accepted. See Revision in 2000 for a restated more clearly defined Guideline).

FALL 1996 Motion passed that any Al-Anon member elected or appointed must be present at Area Assembly to be elected or appointed.
ONE PERSON ONE VOTE

ONE PERSON HOLDS ONE VOTING POSITION AT ASSEMBLY - effective with 2004 elections.

This precaution is set in place to avoid any assembly member having more than ONE VOTE at the AWSC and again at the ASSEMBLY and avoid any conflict of interest since the AWSC votes on policies to be presented to the ASSEMBLY for consideration.

Example: A person cannot vote as a GR at ASSEMBLY, and also vote at AWSC in another service capacity.

This would also eliminate a member trying to be in two places at one time during Break-out Sessions at Assembly.

NEVADA AREA RESTRUCTURE

NEVADA AREA AL-ANON SERVICE ASSEMBLY MAKES PERMANENT THE RESTRUCTURE OF ACTION COMMITTEES AS FOLLOWS: (FOLLOWING A SIMILAR STRUCTURE ESTABLISHED AT WSO)

MEMBERSHIP OUTREACH
Primary Goal: To reach out in friendship and support to all members of our diverse fellowship by encouraging individual participation and strengthening group unity, always preserving and sharing our history and heritage.

Membership Outreach handles the registration process for Area Assemblies, maintains the Nevada Area Al-Anon/Alateen website, preserves the Area Archives, and welcomes new members to Area Assembly.

GROUP SERVICES
Primary Goal: To serve the groups and strengthen their connections to District, Area, and World Service by providing contact information and resources, thus increasing group accountability, fiscal responsibility, and accurate group records.

FELLOWSHIP COMMUNICATION
Primary Goal: To communicate the purpose and activities of our fellowship, by encouraging the use of and contribution to all conference approved literature, The Forum, local and area newsletters, reports and other Al-Anon publications, including WSO’s Al-Anon/Alateen website

The Forum, our Area newsletter Al-Anon Times, and other Al-Anon publications, including the WSO website.

Fellowship Communication is responsible for the presence of the CAL literature at assembly, with provision for display/sale table, alternating between Northern and Southern Nevada.

PUBLIC OUTREACH
Primary Goal: To reach out in good will to professional organizations, agencies, and other individuals, developing ways to better inform the public about Al-Anon as an available, affordable resource for families and friends of alcoholics.

Public Outreach encompasses Outreach to the Public/Media (Public Information or PI), Outreach to Professionals (Cooperating with the Professional Community or CPC), and Outreach to Institutions.

ALATEEN
Primary Goal: To serve the groups of younger family members and strengthen their connections to the Al-Anon Family Groups via the District, Area, and World Service by providing contact information and resources, thus increasing group accountability, fiscal responsibility, and accurate group records.

Alateen groups require Sponsors, who are currently certified through their Area Alateen process, in order to assure meeting the minimum safety requirements of the Alateen members.

At the adoption of this GUIDELINE, the process was established to evenly and randomly assign GR’s, Officers, and/or Delegates to one of the four Action Committees. Upon completion of a term, the new incoming GR, Officer, or Past Delegate remains on the same committee as previously assigned. When a new group is registered in Nevada Area, the Area Chair randomly assigns the group to one of the four Action Committees.

CHANGE: ACTION COMMITTEE structure simultaneously will rotate with each 3-year election term. (Eff.3/06) With addition of a separate Alateen Committee, assignments will be made to one of FIVE Action Committees.

NEVADA AREA RESTRUCTURE

#7  Part 2

ACTION COMMITTEE ASSIGNMENTS

HISTORY AND INITIAL ASSIGNMENT OF GROUPS:

Nevada Area instituted the four Action Committees in order to be more aligned with the structure at the World Service Office (See Nevada Area Motion Handbook) and to allow all Group Representatives an opportunity for more active participation at the Assembly.

Initially, when groups joined an action committee, all GRs present at Assembly simply numbered off by four’s. Since that time, (from 2002-2007) the groups remained on the same Action Committee for two three-year terms. The only additions or changes made were by the Area Chair, who assigned new groups to the committees at random, based on balance of numbers and variety of groups from each district.

At the end of 2007, the “trial period” was over. At that time, some groups expressed a desire to participate in a different Action Committee. This was a reasonable request that could easily be accommodated. Beginning with the next three-year term of trusted servants (2008-2010), all groups will rotate to a new committee:

With the addition of the Alateen Action Committee, the Committee Chart is organized as follows:

<table>
<thead>
<tr>
<th>Membership Outreach</th>
<th>Group Services</th>
<th>Fellowship Communication</th>
<th>Public Outreach</th>
<th>Alateen</th>
</tr>
</thead>
</table>

Due to the addition of the Alateen Action Committee (effective in 2011) the current Area Chair will re-distribute GRs, AWSC members, and Area Officers for equal committee participation.

SUGGESTED GROUP CHANGE IN ACTION COMMITTEE ASSIGNMENTS:

All the groups currently listed on an Action Committee will move one column to the right. This means all those groups in Membership Outreach will move to Group Services; all those in Group Service will move to Alateen; all those in Alateen will move to Fellowship Communication, etc. The AWSC members also have the option of changing; however, AWSC membership on the Action Committees could remain stable. Changing or not is at the discretion, discussion, and vote of the AWSC, perhaps determined by them and recommended to the Assembly.

ASSIGNMENT OF NEW GROUPS:

At the Spring 2014 Assembly AWSC approved the assignment of new groups to be done by the Group Records Coordinator.

During the remaining months of each service term which is three years, the Group Records Coordinator will continue to randomly assign new groups to Action Committees, keeping in mind a balance of numbers and districts for each committee. The Chair will also notify new groups of their Action Committee in writing and notify the District Representative and Group Records Coordinator of any group additions and changes.

#8 Part 1

ALATEEN GUIDELINE (G-34) PUBLISHED BY WSO

MINIMUM SAFETY/BEHAVIOR REQUIREMENTS
FOR ALATEEN MEMBERS
ATTENDING ASSEMBLY OR CONFERENCE

1. Each Alateen member agrees to take personal responsibility for his/her own behavior, keeping in mind the 12 Steps and 12 Traditions of Alateen. Engaging in roughhousing, fighting, overt and covert sexual behavior, or any other inappropriate activities before, during, or after an Al-Anon/Alateen event can put you or your group in a dangerous position and prevent you from receiving the help that Alateen offers. These inappropriate actions can affect Al-Anon and Alateen as a whole and place you and the adults who are trying to help Alateen in a legally vulnerable position.

2. Each Alateen member agrees to be responsible for providing any required permission and medical authorization forms to the Alateen Group Sponsor, or other Al-Anon member in Alateen service, prior to departure for an Al-Anon/Alateen event.

3. Each Alateen member agrees to abide by the laws of the state and any guidelines in place at Al-Anon/Alateen events. Possession of alcohol, drugs, or any substance prohibited by local law is strictly forbidden.

4. Each Alateen member agrees to attend the conference events and advise the Alateen Group Sponsor of his/her whereabouts at all times. Alateen Group Sponsors are responsible for the Alateens at the Conference/Assembly sessions.

5. Each Alateen member agrees to the following: no males in females’ rooms or females in males’ rooms, including Alateen Group Sponsors.

6. Each Alateen member agrees to support the actions of the Alateen Group Sponsor. Alateen Group Sponsors have the right to ask a member who is displaying inappropriate behavior to leave the meeting. To the best of their ability, Alateen Group Sponsors must maintain a sense of safety and trust in order for recovery to take place and to protect the Alateen members from physical and emotional harm.

ALATEEN

MINIMUM SAFETY/BEHAVIOR REQUIREMENTS FOR ALATEEN GROUP SPONSORS AND AL-ANON MEMBERS INVOLVED IN ALATEEN SERVICE

1. Every Al-Anon member involved in Alateen service (any Al-Anon member who has direct contact and responsibility for Alateens while being of service to Alateen), must:
   a. Be an Al-Anon member regularly attending an Al-Anon meeting.
   b. Be at least 21 years old.
   c. Have at least two years in Al-Anon in addition to any time spent in Alateen.
   d. Not have been convicted of a felony, and not have been charged with child abuse or any other inappropriate sexual behavior, and not have demonstrated emotional problems, which could result in harm to Alateen members.

2. Dual members who meet their Area’s certification requirements may sponsor Alateen meetings by virtue of their Al-Anon membership. Anonymity regarding other programs is maintained in the Alateen meeting, just as it would be in any Al-Anon meeting.

3. Any overt or covert sexual interaction between any adult and an Alateen member is prohibited.

4. There will be no conduct contrary to applicable state laws.

5. Parental permission and medical care consents are a requirement for any Alateen participant attending an Alateen outside event, including transportation to and from the event.

6. Each Al-Anon member involved with Alateen service must have a background check as recommended by local counsel.

7. Al-Anon members involved in Alateen service and all Alateen members must adhere to the Area’s Safety and Behavioral Requirements.

8. Each Alateen meeting and sponsors will be reviewed annually to see if the meeting is in compliance with the Area’s Alateen Guidelines. WSO suggests that any District having Alateen meetings also provide an Alateen Liaison to the District. The responsibilities of the Alateen Liaison would include:
   a. Obtain Group Registration and Sponsor Forms. Forward them to the Area Alateen Coordinator and/or Alateen Process Person.
   b. Annually visit each Alateen meeting in the District.

NOTE: It is suggested that one-on-one interaction between an Al-Anon member involved in Alateen service and an Alateen member is avoided. Additional suggestions regarding Alateen Service and safety are also found in Al-Anon/Alateen literature. All sponsors are encouraged to be familiar with and refer to our literature and to the local Alateen Coordinators, Liaisons, and Chairs when questions arise.

AREA WEBSITE STATEMENT OF PURPOSE (Adopted September 2006)

The purpose of the Nevada Area Website is to let people know how to get in touch with Al-Anon/Alateen family groups. As a service arm of Al-Anon, the Website adheres to all Al-Anon principles and Traditions at all times. As our Fourth Concept of Service suggests, its Web Coordinator is a trusted servant responsible to the groups and committees served. A thoughtful and informed group conscience, composed of the Web Coordinator and Committee, is responsible for the contents, policies and procedures involved in creating and maintaining the Website. NEVADA AREA RAFFLE

RATIONALE for ASSEMBLY RAFFLE

Although our Service Manual suggests that all groups help fund the cost of Assembly, not all groups do so with financial contributions. For this reason, Nevada Area hosts a raffle at both Spring and Fall Area Assemblies. This raffle accomplishes two purposes: the profits help fund the Assembly expenses, and the participation by groups offers one more way for all groups/members to offer financial support of the Area Assembly. The raffle is both an enjoyable and profitable means of raising necessary funds.

SERVICE MANUAL GUIDELINES for RAFFLE ITEMS

According to the Al-Anon Alateen Service Manual, 2014 - 2017, avoiding commercialism in the raffle is wise: “Raffling various articles at meeting or other gatherings is a matter of autonomy, but to avoid commercialism in the fellowship, it is suggested that these items relate in some way to our spiritual principles. Items such as Al-Anon or Alateen books, subscriptions to The Forum, or the “donated products of the creative efforts of individual members are suggested” (SM, pp.97 - 98)

EXAMPLES of RAFFLE CONTRIBUTIONS

In the past, members and groups have donated personal art work, afghans, quilts, books, and theme baskets. The raffle is usually held on the final morning of the Assembly. This event affords an opportunity for every group attending Assembly to submit an item for the raffle. The item may be created by an entire group or an individual from a particular group, as a matter of group interest, autonomy and creativity. The raffle item is usually delivered to Assembly by the Group Representative (or Alternate GR).

NEVADA AREA HANDBOOK MAINTENANCE

The Secretary will create a standing "AREA HANDBOOK COMMITTEE" to serve as an "official team of trusted servants" to review sensitive wording and protect these documents and our history.

The committee would consist of the AREA SECRETARY, the ALTERNATE DELEGATE, and active PAST DELEGATE(s).

Recommendation is that all documents be approved by the standing AWSC.

NOTE:
In 2007 motion passed to accept proposal to appoint the AREA SECRETARY to be responsible to assure the existing MOTIONS and GUIDELINES and SERVICE ROLES are kept current.
This would be in addition to keeping the Area Assembly Minutes.

NEVADA AREA ASSEMBLY

The NEVADA AREA FALL ASSEMBLY will be held in September on an available full weekend, beginning on Friday.

The NEVADA AREA SPRING ASSEMBLY will be held in March on an available weekend beginning on Saturday.

Duties of Area Chairman in the Service Manual are vague, and left to the discretion of each Area. The responsibilities of the Nevada Area Chairman are more clearly defined in the Nevada Area Service Roles Handbook. Those duties may change from time to time, as a result of this GUIDELINE.

NOTES FOR THOUGHT:

Historically, the Nevada Area Al-Anon/Alateen Assembly has met at the Convention Center in Tonopah. It has been in conjunction with A.A. and without. For many years, only one Assembly each year was held in the September.

In 2002, recognizing the need for more Nevada Area connection and participation, the first one day Spring Assembly was held the third weekend in March. Our growth, development and responsibility, now dictate that arrangements be established for an Annual Spring Assembly as well as an Annual Fall Assembly.

The area chair may make arrangements with the convention center to permanently reserve the same weekend in March, and again in September.

VISA DEBIT CARD

At the beginning of each three-year term, Wells Fargo Bank will issue individual Visa Debit cards to the three officers: Delegate, Area Chair and Treasurer. Cards are valid for three years.

Officers will arrange with Wells Fargo Bank to change the default withdrawal and spending limits on their cards. Each officer must arrange for limit change on their own card by seeing a business banker at any Wells Fargo branch. The limits are as follows:

- Treasurer’s card will have a limit of $210 daily withdrawal and $1500 daily spending limit.
- Delegate’s card and Area Chair’s card will not have daily withdrawal, and will each have a $1000 daily spending limit.

When cards are received, pin numbers are to be implemented immediately by each recipient for security purposes.

At beginning of term, Treasurer will set up email update alerts to Treasurer and Delegate for withdrawals that post to the checking account.

Treasurer is to be notified by cardholder within 48 hours when card is used. Notification will be via email with receipt(s) attached. If receipt is unavailable, an explanation of expense is to be provided. Note that additionally, email alert will be issued by Wells Fargo Bank.

Eligible expenses are AWSC conference calls, Assembly Administrative expenses, Delegate travel expenses, online WSO contribution, Area website expenses, and special approved purchases. Not eligible: expenses related to officers attending Area Assembly.

Treasurer may use the card as an ATM card with pin number for making Area deposits.

At the end of the term, the three cards will be shredded by their owners. If new cards are sent to old officers, the cards will be shredded and the new Treasurer will be informed, in order to follow up with Wells Fargo Bank.

Note: Expenses of other AWSC members (Alt. Delegate, Coordinators, Past Delegates, etc.) are handled by submitting a check request to the Treasurer in a timely fashion. A check request form should be used, and receipts clearly documented. Checks are signed by 2 of 3 officers.

See Treasurer Guidelines for additional information.

ASSEMBLY PROCEDURES

Adapted from the World Service Conference Procedures. Update 1-16-16

Assembly has a primary goal – to conduct the bi-annual business of Nevada Area Al-Anon and Alateen. Each GR or alternate GR representing a WSO registered group has both VOICE and VOTE. AWSC members have voice but no vote. Any other members attending do not have voice or vote; they are represented by their GR. Orderly transaction of business is important for group unity and harmony. It is important to note that the purpose of the Assembly Procedures is to make it easier for the Assembly to conduct business in a timely manner.

PHOTOS

Out of respect for others please do not take photographs, videos and recordings during Assembly sessions. Outside of Assembly sessions be considerate when taking photographs, using care that you do not capture images of Al-Anon/Alateen members, or their guests who did not give their permission and may not wish to appear in your pictures. In the spirit of Tradition 11, please do not post recognizable photos of identifiable Al-Anon, Alateen members or their guests on websites accessible to the public, including unrestricted pages on social networking sites (pg. 43 of the 2014-2017 Service Manual).

ASSEMBLY AGENDA

- The Area World Service Committee plans the Assembly agenda.
- Input is gathered and careful consideration is given to suggestions from any Nevada Area Al-Anon member.
- During Assembly session the Area Chair can alter the agenda if circumstances warrant.
- Assembly Minutes and Financial reports (with the exception of the Budget) do not require a written motion. Once the reports are presented and corrections or additions are made the Area Chair asks for a show of hands to accept the Minutes/financial reports.

DISCUSSION

WARRANTY THREE states that all-important decisions be reached by discussion, vote and whenever possible, by substantial unanimity. This principle guarantees that all matters of importance will be extensively debated, and substantial majority can support every critical decision.

KNOWLEDGE BASED DECISION MAKING (KBDM)
To Reach an Informed Group Conscience. (As modeled in the 2008 WSC Summary available on the Members’ Website)

In a Knowledge-Based Decision-Making culture, full discussion of an idea takes place (with background information introduced to frame the topic) before a motion is presented. Sometimes these discussions go on over a longer period of time (several Assemblies) before any decision for a motion or action is made. KBDM requires research and information gathering before and during the discussion. At the end of discussion, further information and knowledge may be necessary to come to an informed group conscience. A motion need not be made after every discussion. Premature action (such as making or amending motions prior to discussion) can divert attention from the topic at hand, thus confusing and/or delaying Assembly business.

#15
ASSEMBLY PROCEDURES (continued)

With KBDM, the decision reached is usually one of substantial unanimity. There are FIVE key elements to the KBDM process to reach an informed group conscience.

1) Open communication between leadership and membership
2) Dialogue before deliberation
3) All decision makers have common access to full information
4) Existence in a culture of trust
5) Confidence in the competency of our partners

Background information used to frame a topic is usually the result of answering these FIVE KBDM questions:

1) What do we know about our proposed needs or preferences that are relevant to this discussion?
2) What do we know about the capacity and strategic position of the organization relative to this issue?
3) What do we know about the current realities and evolving dynamics that are relevant to this discussion?
4) What are the ethical implications of our choices (pros and cons?)
5) What do we wish we know, but don't?

METHOD FOR PROPOSING A TOPIC FOR AN ASSEMBLY AGENDA ITEM

1) Any GR can submit a proposed topic to any AWSC member prior to Assembly. The proposed topic includes background information, answers to the FIVE KBDM questions, and written text, framing the discussion. All items noted are valuable so that discussion can be fully understood by all Assembly members.

2) The Area Chair chooses a place on the agenda to allow ample time for the Assembly to have a discussion on the topic and may choose to ask the Assembly members, by a show of hands, whether the Assembly wishes to discuss the topic.

3) When the Assembly agrees to discuss the topic, the voting members should be provided the background information and answers to the FIVE KBDM questions, so that all are prepared to discuss the topic.

4) At the appointed time, the member proposing the topic begins the discussion by framing the topic. The floor is then opened for discussion. Assembly members, who wish to speak, would line up at the mic and are called on in order. Any discussion on the proposed topic follows the guidelines outlined in the "Guide for Discussion."

5) Following discussion, the Chair may ask for consensus (by show of hands) in order to determine if any additional actions are necessary based on the discussion.

GUIDE FOR DISCUSSION

- The Assembly Chair may ask to have the discussion held at another time.
- During discussions, Assembly members who wish to speak will line up at the mic and are called on in order, by the Area Chair. Assembly members must use the mic each time they speak and state their name.
- Assembly members are allowed two minutes and one time at the mic per topic. When the two-minute time limit is ended, the member may finish their sentence before relinquishing the mic.
- In addition to the two minutes and one time at the mic per topic, Assembly members are allowed to go to the mic to ask a question for information only. Asking a question begins with who, what, where, when, why and how; and does not contain personal opinion.
- When a question is asked, the Area Chair can call on the appropriate person to answer the question. To answer a question, the answer is not limited to two minutes at the mic, nor do they give up their one time at the mic per topic.
- Assembly members should express their opinions; however, if their opinion has been expressed they are asked to not repeat what has already been expressed.
GUIDE FOR DISCUSSION (continued)

- The legitimate rights of the minority are protected by CONCEPT FIVE: “The rights of appeal and petition protect minorities and insure that they be heard”.
- Out of respect to those holding a different opinion, applause is not permitted during any discussion.
- During discussion and prior to a motion being made, the Area Chairperson, at his or her discretion, may take a consensus by a show of hands from the voting members to give direction as to the next steps the Assembly wishes to take.

The options may include:
- To continue the discussion
- To move forward with a motion
- Definition of a Motion:
  - A motion shall change and or create area policy, Area guidelines and Area financial status
- The Assembly body asks for more information to be shared at a later time; example - the next assembly
- Stop the discussion without a motion or action

VOTING PROCEDURES

With any Assembly vote, the intent is to find “Substantial Unanimity.”
A 2/3 majority vote is required for a motion to pass.
All motions are to be written on the Area Motion Form.
Motions require a second. Written motions are to be read by the Area Chair prior to the vote. A voting card is held by each GR.

The motion is presented from the ASSEMBLY MOTION FORM.
The Area Chair reads the motion as written.
The Area Chair asks for a second.
The Area Chair asks if there is any more discussion on the motion as presented. If needed, discussion begins again.
The Area Chair then reads the motion again.
The Area Chair calls for the vote.
GR’s vote using their voting cards.
Following the voting, result will be announced by the Area Chair, and then recorded from the motion form by the Area Secretary. The Area Secretary updates the History of Motions section of the Nevada Area Handbook.

Amendment procedures:
To insert or add…. To strike out…. To strike out and insert….

Tabling a Motion:
Requires a motion and a second

RESUME FOR NEVADA AREA

We learn about how to delegate authority in Al-Anon service. The balance of responsibility in routine jobs occurs only when we can explain what we have done, wish the person love, and allow our successor their own God-given direction. More times than I care to think, my successor did a better job than I ever could have done. (About Concept 8 - Forum 8/06)

AL-ANON – ALATEEN NEVADA AREA

Nevada Area adheres to the policies set forth by the World Service Conference (WSC) and follows procedures suggested in the most current edition of *Al-Anon/Alateen Service Manual*. All members are encouraged to read and practice the Service Manual’s suggestions for carrying out service work responsibilities.

Although many answers to questions about special situations are found in the Service Manual, all Areas differ. This booklet presents additional details applicable to Nevada Area. It is not intended to replace the Service Manual, but simply to provide a reference of unique practices in our Area. It was compiled by the current AWSC to offer guidance, direction, clarification and a checklist that gives an overview of the job duties, aims and objectives. Each Job Description was prepared by the current Al-Anon member holding the stated position. Helpful suggestions drawn from experience are meant to provide a basic foundation that allows courageous and creative commitment from successors in service to be "directly responsible to those they (we) serve." (Tradition Nine)

With our Area officers constantly rotating, and modifications being made as our Area grows, further additions and changes will be needed as circumstances require. “We never finish, we just stop!” It is suggested that details be timely updated to match the actual responsibilities.

The responsibility of those revisions was assigned to the AREA HANDBOOK COMMITTEE. To serve on this “official team of trusted servants” for review of the sensitive wording and protect our documents and our history are the Serving AREA SECRETARY, serving ALTERNATE DELEGATE, PAST DELEGATE(s). It is recommended that all documents be approved by the standing AWSC.

AREA ASSEMBLY OVERVIEW

Currently the Al-Anon/Alateen Assembly meets twice a year at the Convention Center in Tonopah, Nevada. These Assemblies are held in the Spring, usually the third weekend in March for a shortened Assembly (one night); and the Fall, usually the second weekend in September (two nights). Sometimes, but not always, Alcoholics Anonymous meets at the Convention Center as well. Historically, Al-Anon had arranged a Saturday night banquet at the Fall Assembly and invited AA to participate. In the past, this was considered a “fundraiser” for Al-Anon, but has not always been a moneymaker. As time and growth dictate in the future, different meeting and dining arrangements may be necessary. The Al-Anon Chair currently coordinates with Alcoholics Anonymous.

(In 2004, AA announced they needed a larger facility where they could meet. Our Al-Anon 2004 Fall Assembly covered discussion for the Al-Anon 2005 Spring Assembly to be held on a different weekend than AA.)

**SUGGESTED LITERATURE/BOOK DEPOT SCHEDULE:**

| SPRING ASSEMBLY from NORTH | FALL ASSEMBLY from SOUTH |

**ELECTION PROCEDURES**

Election procedures basically follow the *Al-Anon/Alateen Service Manual*, but because Nevada Area is small, with only six districts, Nevada has adopted its own Nevada Area Election Guidelines (Guideline #5, 2003). Please see Guideline #5 for specific Area procedures.

Out-going Group Representatives, those currently still serving, vote for the new Area officers at their final Assembly at the end of their three-year term. The election procedure of the District Representatives (DR) and Group Representatives (GR) precedes the date of the fall Area Assembly. The terms of Group Representative and District Representative are from the January following the fall election for a full three-year term, coinciding with the Delegate’s term. District Representatives are elected from outgoing Group Representatives in the election year.

Area Coordinators are selected by the AWSC from submitted resumes. Appointment of Area Coordinators will occur at a meeting of the AWSC at some time following the Assembly business meeting after Area elections are held. Selection of Area Coordinators is based on qualifications and resumes submitted.
AREA WORLD SERVICE COMMITTEE (AWSC):

PRIMARY FUNCTION:
To plan for the general improvement the Area Assembly as well as all Area groups

AREA WORLD SERVICE COMMITTEE MEMBERS:
(It is suggested that a Service Sponsor is helpful for those who have these positions).
- Delegate, Alternate Delegate, Chairperson, Secretary, and Treasurer.
- Past Delegates
- Coordinators: Membership Outreach, Public Outreach, Fellowship Communication, Group Services, Alateen -
  Website - Newsletter Coordinator/Editor
- District Representatives (6)
- AIS Liaisons (2)
- Spanish Liaison

GENERAL POLICIES and RESPONSIBILITIES OF ALL AWSC MEMBERS

All AWSC members attend two (2) Assemblies per year, held in the Spring (March) and Fall (September).

All AWSC members attend the (2) AWSC meetings held prior to Assembly each year. If unable to attend either the
Assembly or AWSC, or have an alternate present, the committee member needs to notify the Chairperson and send a
written report.

All AWSC members utilize a copy of the Al-Anon/Alateen Service Manual and adhere to its stated policies
unless a different procedure for a service duty has been adopted by Nevada Area Al-Anon.

All AWSC members participate in two conference calls per calendar year scheduled between each assembly and as
needed.

All Officers, Coordinators, and DRs provide a copy of their report given at the AWSC meetings and Assemblies to the
Area Secretary. Reports at Assembly by the Coordinators and DRs are brief: two to five minutes in length.

All members of the AWSC are reimbursed for expenses from the Area Treasury, with the exception of the District
Representatives and the AIS liaisons, whose attendance is supported by their respective service body.

All Officers, Coordinators, and DRs submit a quarterly, written report to The Al-Anon Times newsletter. (January, April,
July, and October)

Nevada Area Guideline Two (1992) outlines the policy for “Removal of Area Officers and Coordinators.”
That guideline was later revised for clarity (2000). In summary, if a member of the AWSC does not attend one Assembly
or AWSC meeting, that person is responsible to submit a written report to the Chair. Absence of a written report in lieu of
being there in person will be considered as an “informal resignation.” Guideline Two further outlines the procedure for
filling the vacancy.

All members of the AWSC keep accurate records and reports of their activities while serving. At end of the three-year
term, each committee member passes on information to the newly-elected trusted servant.

The Secretary is charged with creating a standing AREA HANDBOOK COMMITTEE to serve as an "official team of
trusted servants” to review sensitive wording and protect our documents and our history. Included in this committee:
Serving AREA SECRETARY, Serving ALTERNATE DELEGATE, PAST DELEGATE(S) It is recommended that all
documents be approved by the standing AWSC.
SUGGESTED SCHEDULE FOR LOVE GIFTS:  (always due in February)

“Love gift” is a term used to describe a simple gift for each participant at the World Service Conference to be provided by the Delegate from each Area. It usually depicts in some small way, a reflection of the Area it represents. Since each Area usually sends gifts, it is a heartwarming experience for Delegates to receive a gift from each of the fellow Al-Anon Delegates. Rotation of “Love gift” responsibility has been designated by District in our Area as follows:

Assembly Registration form and information sheet is developed 3-6 months before each Assembly. Key items to be on flyer are dates of Assembly, times, cost, deadline for pre-registration, how to make out checks, where to mail the completed registration and payment. Also include a list of hotels/motels available for lodging, potluck assignments, banquet information (Fall Assembly only) and information about the raffle.

The Pre-registration information and registration form should be distributed well in advance of Assembly:
- Email it to the Times Editor to be included in the appropriate issue of the Al-Anon Times
- Email it to the Area Webmaster to be included on the website
- Email it to the person in charge of the events calendar to include as appropriate.
- Email it to each of the DR’s to distribute at District meetings
- Email it to the Spanish Liaison to translate and distribute
- Email it to the Area Chair to put into the Assembly packets (check with Chairperson for deadline)
Registration By Mail:
When you receive registration forms & payment in the mail, have an accurate method to keep track of who is registered and paid. This may be done using Excel or another method of your choosing. All checks, cash and money orders received are deposited at Wells Fargo Bank regularly during the pre-registration period.
Suggestion: Make a copy of each check you deposit and each deposit slip. This can be a great help in reconciling your monies if needed. As registrations come in you may choose to contact each person by email, text or phone to let them know their registration was received.

Before Assembly, badges are created as needed for new attendees or new positions (or replacements for those lost). Be sure to provide blank name badges that can be completed at Areas Assembly for those who did not pre-register by the deadline.

Registration Table at the Assembly:
During Acting Committee break out assign 2 – 4 people to work the registration table. These committee members will:

A final count of all attendees is given to the Area Chair before the close of assembly, including breakdown of, GRs AWSC members & Guests as well as grand total.

Raffle Tickets:
Raffle tickets may be sold at registration if you feel you have enough people. Otherwise tickets are to be sold only during times when the Assembly is not in session (breaks, lunch, etc.) as to not distract from the agenda. Baskets will be raffled at the Area Chair’s discretion. Discuss with your Chairperson the timing of the raffle; this can happen all at once or at various times throughout the Assembly. At end of assembly announce raffle income total.

Also suggested to track:
- English vs. Spanish Speaking attendees (helps the Area Chair know how many packets in each language)
- GR’s vs AWSC attendees
- How many attendees from each district (helps with potluck assignments)
- How many pre-registered vs. how many registered at the Assembly

NEVADA AREA HISTORY
NEVADA AL-ANON BEGINNINGS
In September 1966, the first Nevada Area Al-Anon Assembly was held in Las Vegas. A temporary chairman opened the meeting and then a Chairman, Secretary, and Treasurer were elected. It was agreed that the first Delegate and Alternate Delegate be chosen from the Southern part of the state. Two people were eligible for these positions. Names were drawn by lot with Margie E. becoming Nevada’s first Delegate. The following motions were passed:

- That the subsequent Delegate and Alternate Delegate be elected alternately from the North and South participants, with Tonopah being dividing line
- That Alateen be a part of each Assembly with voice but no vote
- That any Group represented must have had membership four months and be registered at WSO
- That the Secretary keep correspondence and minutes of GR meetings as history
- That each Group contribute 10% of collections toward sharing cost of Delegate expenses to WSC after 1967

* See Attachment A – “Nevada State Al-Anon Assembly Minutes of First Meeting” (9/66)

In 1968 motion passed that a group must simply be registered with WSO to participate at Assembly; each group has one vote from its GR or Alt. GR. Decided that recording names of participants making or seconding motions was not necessary, but name should be noted in case of an objection. In 1978, it was agreed to ask all Districts—North and South—to meet the same month for more efficient financial reports to Area Treasury. Because the Registration Book was inadvertently discarded, in 1979 the 14 GRs voted to consider the count on number of past Assemblies to be eleven, by counting only election Assemblies.

NEVADA ADAPTATIONS
In 1980, it was voted to follow Nevada Area Adaptations as adopted by the 1971 Assembly, which had differences from the World Service Handbook. Proposed revisions from the Service Manual for Nevada Assembly again were approved in 1986. A copy was attached to the minutes and distributed to each member. **Motion in 1986 failed to pass, that a GR who is elected DR will remain as GR while serving as DR (2/3 majority needed to pass Y=19 N=11).** In 1991, motion passed that the North/South rotation of Area officers be lifted for a trial period of six years, for elections held in 1992 and 1995. Motion in 1997 passed to permanently delete the North/South rotation.

In fall of 2003, the Assembly passed the motion by substantial unanimity of “One Person One Vote,” (Y = 47 N=2 Ab=1) effective with 2004 elections (See Nevada Area Guideline #6). A GR can no longer vote at Assembly and also vote as a DR at AWSC.

NEVADA AREA HANDBOOK
Motion at the Fall Assembly 2007 was passed to adopt the proposal to appoint the AREA SECRETARY as the person responsible to assure the existing MOTIONS and GUIDELINES and SERVICE ROLES ( Begun in 2005, finished, and added to Handbook in 2007) are kept current. This would be in addition to keeping the Area Assembly Minutes. Create a standing “AREA HANDBOOK COMMITTEE” to serve as an “official team of trusted servants” to review sensitive wording and protect these documents and our history. Included in the committee: will be the AREA SECRETARY, the ALTERNATE DELEGATE, and active PAST DELEGATES. It is recommended that all documents be approved by the standing AWSC.

**Motion at the Fall Assembly 2010 was passed unanimously to accept the updated Nevada Area Guidelines with the addition of Guideline #12.**
Trial Guideline #13 about translation equipment was passed and added to Handbook in Spring Assembly 2012. Bilingual members began working on translating the Area Handbook into Spanish, with the goal of completion 2013. At the 2012 Fall Assembly, the Chair announced the project was complete. The NV Area Handbook is now available to all members on the NV Area Members' website.

2016 Spring, Guidelines 13, 15 were added to Nevada Handbook

AWSC
In 1985, change was made to have the Area World Service Committee meeting on Friday of Assembly-weekend in an effort to reduce expenses. 1989 added Past Delegates as Advisors to the AWSC. In 1990, the CPC and PI Coordinator function was combined, with one person appointed for each the North and South. Voted in 1996 that any member qualified to stand for Area office submit a written service Resume to the Area Chairman by noon Saturday of Assembly or may be verbally interviewed by the Assembly body and Area Officers; that any Al-Anon member appointed to AWSC must be present at Assembly to be elected or appointed. Motion passed in 1996 that the AWSC meet twice per year in Tonopah, once prior to Area Assembly and again during the first quarter of the year. Reimbursement for travel expenses for Spring Assembly to DRs will come from their respective Districts, all other AWSC members at $75 from Area Treasury. It was voted in 2000 to have Coordinators Reports read only at Assembly and not at AWSC. Spring Assembly 2006, it was determined that a separate Registration Committee would work under Membership Outreach Committee to cover functions of Registration, Raffle, and Meal tickets. Assembly Roll Call format was streamlined by asking each DR to account for each GR in their District; and the Alt. Delegate verify the GR total count (to allow for calculating 2/3 majority for voting, if needed)

SECOND ASSEMBLY
Motion in 2002 Assembly approved recommendation of AWSC to hold a Spring Mini-Assembly prior to World Service Conference, for a 2-year trial period commencing Spring 2003. Passed. Y-38 N-5. (Vote again in 2004). At the Spring Assembly 2005, consensus was that keeping the four Action Committees to encompass the entire Nevada Area, and having two yearly Assemblies would contribute to increased communication and better informed Al-Anon members. In 2005, online communication began between AWSC members and proved highly effective. Since 2011, the AWSC now holds Telephone Conference Calls between Assemblies.

2015, Fall Assembly, a motion was passed to allow AWSC Committee members to be funded for 1 extra day at Spring 2016 Assembly. This proved successful and the assembly body agreed to continue for a 3 year trial period. sm

RESTRUCTURE - ACTION COMMITTEES
Consensus was agreement at 1999 and also 2000 Assembly to have AWSC explore a Restructure Plan for Nevada Area which would be patterned after the new WSO structure, and make a presentation at the 2001 Assembly with a 2/3 majority required to pass. 2001 Assembly approved the presentation by the AWSC “to set aside the existing Area structure and implement a Nevada Area Trial Re-structure as presented in distributed exhibit. Carried. (52-Yes/1-No) At the Spring Assembly 2005, consensus was that keeping the four Action Committees to encompass the entire Nevada Area, and having two yearly Assemblies would contribute to increased communication and better informed Al-Anon members. Motion passed to make the trial restructure permanent, with the change in title of Action Committee Chair to be Action Committee Coordinator. Spring Assembly 2006 unanimously voted to rotate members of the Assembly Service Committee structure at each 3-year term election (See Nevada Area Guideline #7, Part 2).
REDISTRICTING
Motion at the Spring Assembly 2008 was passed with 2/3 vote, to revise the boundaries of Southern Districts 1,3 & 5; change the Western boundaries of District 1 and 5, from I-15 to I-95, and remove Tropicana as the boundary. Seven groups from District 5 moved to District 1. The purpose of redistricting was to equalize the number of groups and diversify the Southern Districts.

COOPERATION WITH AA
Motion passed in 1978 to cooperate with AA at Assembly and have a speaker if time permitted. In 1984 it was also agreed, at the request of AA, to help pay Convention Center rent. According to records, from 1984 until 2007, Al-Anon paid some portion of the rent for the Convention Center weekend, ranging from $75 to $150. When AA requested that Al-Anon meet a different weekend because of AA’s space limitations, Al-Anon began meeting at a different time. The first change was Spring of 2004. In 2008 the AFG cost for rent was $475.

FINANCE AND MOTIONS
Motion passed in 1984 to send an appeal letter three times a year to all groups for contributions to Area Treasury. In 1985 motion was passed to change the Area Treasury accounting from a fiscal year to a calendar-year (Jan. to Dec.) to coincide with Area Officers’ term of office. This change proved awkward and was rescinded by 1989 motion to revert back to fiscal-year accounting of 9/1 to 8/31. In 1986 vote raised Assembly registration to $10 for the 1987 Assembly. In 1986, finances were a big part of discussion since contributions were down and expenses were climbing. In 1989 motion reimbursed District #6 with a one-time donation of $250 to defray costs of travel and related expenses. Motion passed in 1996 that a financial audit be done at the end of each Treasurer’s term by the outgoing Delegate and Chairman, prior to forwarding to the incoming Treasurer on Jan 1st. At the Spring Assembly 2005, motion was passed to include at each fiscal year-end in August, a transfer of funds to the “Prudent Reserve Savings Account” sufficient to cover one full year of Area expenses based on the prior three-year average expenses. Fall 2006 motion passed to send 10% of our year-end surplus to WSO on a yearly basis. Motion at Spring Assembly 2008 was passed with 2/3 vote to increase the Assembly registration fee from $10 to $20 in order to cover expenses and be self-supporting.

REIMBURSEMENT/ASSEMBLY EXPENSES
In 1978, it was voted that the expenses of Delegate and Alt. Delegate, Officers, Coordinators, and DR’s not covered by their home-group be reimbursed at $35. The amount was increased in 1979 to $75 and voted that DRs would be reimbursed from Area funds less the amount paid by their group as GR. This was the last year GRs would be paid from Area Treasury. Vote in 1988 increased amount to $100. 1992 motion removed the responsibility of Area Treasury to fund the DR’s expense to Assembly unless financial help was needed. 1995 motion increased reimbursement to $125. Motion in 2001 approved increase to $150. Motion in Spring 2007 increased reimbursement to $100 for the Spring Assembly and $200 for Fall Assembly. Motion passed at Fall Assembly 2011 to increase reimbursements in Spring to $145 and Fall to $245. Motion passed at Spring Assembly 2016 to allow AWSC Committee to meet one day prior to Spring Assembly for trial period of three years, to be funded by NV Area.

DELEGATE EXPENSE
After lengthy discussion of finances in 1979, it was voted to approve an additional $200 for the Alt. Delegate or an Al-Anon Representative to attend the Pacific Region Alcoholics Anonymous Service Assembly (PRAASA) in 1980 being held in California. In 1993, the budget item of Delegate Expense was increased to allow the Alt. Delegate to attend the Southwest Regional Delegates’ Meeting
(SWRDM). Motion passed in 1994 approving payment in full of the expense of the Delegate’s travel to Conference due to an appeal from WSO. This was rescinded in 1995, by vote back to pay equalized expense. Fall 2006 Consensus was given by Assembly for the AWSC to decide on the amount the Area would fund for Delegate to attend the yearly WSC (actual amount or equalized amount). From 2007 forward, the payment decision rests with the Area Treasurer, based on available funds.

Discussion resumed at the Fall Assembly 2004 and the Requirements were submitted to WSO as required by the 12/31/04 deadline. Explanation of specific needed action was described at the Spring Assembly 2005. (The WSO GUIDELINE will be followed as well as written Nevada Area/Nevada GUIDELINE will be added to the “Nevada Area Al-Anon Guidelines” when all procedures are completed and adopted by the Assembly body). Spring Assembly 2006, again discussed wording and motion passed to accept Alateen Guidelines with reservations to change grammar or wording. Motion passed to create a second coordinator position as Alateen Coordinator under GROUP SERVICES COMMITTEE.

No longer does a dual member need to be a sponsor with another Al-Anon member but is eligible to sponsor by virtue of his or her Al-Anon membership (See Nevada Area Guides #8, Part 2: Alateen). This change reflects the 2010-2013 Service Manual Policy.
